Shopping Information

Some items are only available for In-store Pickup. (http://www.microcenter.com/customer_support/pickup.html) These products can not be shipped. When you place an in-store pickup order Monday - Saturday 10 to 8 and Sunday 11 to 5, we'll confirm it within 18 minutes.

Web Only

Some items are only available on microcenter.com. These products can only be shipped from our warehouse and are not available in our retail stores.

Most of our products are available for in-store pickup (http://www.microcenter.com/customer_support/pickup.html) at one of our local retail locations. (http://www.microcenter.com/at_the_stores/index.html) Select In-Store Pickup as the shipping option and select your store. Each product will be labeled with its availability.

Security

We use industry-standard 256-bit SSL encryption to provide maximum protection (http://www.microcenter.com/customer_support/safe_shopping.html) for your personal information. This may affect your ability to shop using an older browser.
